October 24<sup>th</sup>  
10AM PST

## Our Inaugural Virtual Event Benefiting

**JORDAN'S**  
GUARDIAN ANGELS

### **Dear Jordan's Guardian Angels Supporter,**

Want to join us to find a cure for some of the world's greatest medical mysteries? Now is your chance. We are on a journey to find a cure for Jordan's Syndrome, which in doing so, could bring breakthroughs for Autism, Alzheimer's, Intellectual Disabilities, Epilepsy, Parkinson's, and even Cancer. Our families and friends from around the globe will be attending our Inaugural Virtual Event "Calling All Angels" on October 24th at 10AM PST. Now you can support our cause by becoming a sponsor today! We need you now more than ever.

Jordan's Syndrome is an extremely rare genetic mutation on the genes PPP2R5D, PPP2R1A, AND PPP2R5C. Our children show signs of developmental delay, low muscle tone, Autism spectrum disorder, behavioral challenges, seizures, and other medical challenges.

100% of all funds raised during this event will be applied directly towards the Jordan's Guardian Angels Foundation (501-C3) in support of clinical research for a potential treatment and reversal of this syndrome.

We are asking for your generous contributions toward a worthy cause that will truly impact not just our families but the entire world.

Below, we have listed our Sponsorship Opportunities.

Your support, no matter how large or small, is greatly appreciated and will be recognized at our global event! Thank you so much for your consideration!
